Cry, ooh, i
Yeah

There's something in the way you hold me
I can feel the distance when i touch you
There's something gone like you look through me
I always wondered what it's like when love's through

What's going on in your heart?
Am i wrong 'cause i feel you pull away
And as i'm asking you why
Oh why

I'm na, na, na, na, not gonna cry
I'm not gonna break if you say goodbye
I'm na, na, na, na, not gonna cry
I just wanna know if we're livin' a lie

Oh, oh

You know i'm strong enough to take it (take it)
If you go, you know it wouldn't throw me
And if you really think it's over
You can walk, but don't you do it slowly, boy

I don't want you to see (my baby)
What's going on in my heart if you should leave
But if you look in my eyes (in my eyes)

I'm na, na, na, na, not gonna cry
I'm not gonna break if you say goodbye (goodbye)
I'm na, na, na, na, not gonna cry
I just wanna know if we're livin' a lie

Maybe some day, i'll look back and see i cried (cried
inside)
But today there ain't a tear for me to hide
And i couldn't tell you why

I'm na, na, na, na, not gonna cry

I'm na, na, na, na, not gonna cry
I'm not gonna break (not gonna break) if you say
goodbye (you say goodbye)
I'm na, na, na, na, not gonna cry (oh, oh)
I just wanna know (just wanna know) if we're livin' a lie
(livin' a lie)

I'm na, na, na, na, not gonna cry
I'm not gonna break (gonna break) if you say goodbye
(goodbye)
I'm na, na, na, na, not gonna cry
I just wanna know (just wanna know) if we're livin' a lie

Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na

Na, na, na, na, na, na, na, na, na (not gonna cry)
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
