This is a song about something
yeah, well, that happened to me
recently.

I met this girl on this place down in Old Town.
She took the world off my mind.
I liked the way how she walked down the alley.
She made the boys all go wild.

But now look, You belong to me.
You took my eyes and made me see.
But now look, You belong to me.
Can't You see what I mean?

I like the way how You treat me in bed, girl.
You make me act like a child.
I like the way how You stroll down the streets, oh.
Uh Girl, You one of a kind.

But now look, You belong to me.
You took my eyes and made me see.
But now look, You belong to me.
Can't You see what I mean?

Wow
My girl, how You treat me right.
My girl, how You satisfy.
My girl, well, I need Your love.
And you know, You're my girl. It's for real.

I like to take You and fly down the highway.
Girl, You're always on my mind.
I never forget the first time we met.
Uh girl, You're my guiding light.

But now look, You belong to me.
You took my eyes and made me see.
But now look, You belong to me.
Can't You see what I mean?

Wow

My girl, how You treat me right.
My girl, how You satisfy.
My girl, well, I need Your love.
And you know, You're my girl. It's for real.

If You see my girl,
If You know where she is,
Woman tell her I care!

If You see my girl,
If You know where she is,
Woman tell her I care!

If You see my girl,
If You know where she is,
Woman tell her I care!

If You see my girl,
If You know where she is,
Woman tell her that I care!

Wow
My girl, how You treat me right.
My girl, how You satisfy.
My girl, well, I need Your love.
And you know, You're my girl. It's for real.

[My girl]
I like to take You and fly down the highway.
