Intro

Oh yeah oh yeah
O baby baby yeah
Oh yeah oh yeah
O baby baby yeah
Now that you're gone

I don't really need to feel the pain of loving you
Now that you're gone
I don't really need sit around and wait for you
Now that our love is gone

Verse 1

I never knew that love ever come my way
Until the day you walked into my life
Now I see that it ain't
What it's supposed to be
You've changed
You're strange
Didn't smile when you called my name
So now you say you've got the game on me
That's just your way of saying
You're a waste of time
You lie I cry
Even when you knew you broke my heart
Pack your bags, get outta my life
Now that you're gone

Chorus 1

I don't really need to feel the pain of loving you
Now that you're gone
I don't really need to sit around and wait for you
Now that our love is gone
I don't really need to feel the pain of loving you
Now that you're gone
I don't really need to sit around and wait for you
Now that our love is gone

Verse 2

Don't say that you'll be there to comfort me
Cause when it comes to love you're misery

I play the fool
For you
Just like on MTV
You smiled I cried
Never knew what it felt inside
So now you say you've got the game on me
That's just your way of saying you're a waste of time
You lie I cry
Even when you knew you broke my heart
Pack your bags get outta my life

Chorus 2

I don't really need to feel the pain of loving you
Now that you're gone
I don't really need to sit around and wait for you
Now that our love is gone
I don't really need to feel the pain of loving you
Now that you're gone
I don't really need to sit around and wait for you
Now that our love is gone
Now that you're gone
Now that you're gone
I'm saving all my love for someone who's lovin' me

Bridge

Oh yeah oh yeah
O baby baby yeah
Now that you're gone

Savin' all my loving
Savin' all my loving
Savin' all my loving for someone who's lovin' me

Savin' all my loving
Savin' all my loving
Savin' all my loving for someone who's lovin' me
