High

Just a little bit is
All I need to make it flow
I know your making it
It seems just like a dream world
Just a little sip
Makes my heart just sway now
I know your shaking me
I'm losing grip of,
Space and time

Wandering in universe (Baby, Baby)
I know you got this effect on me

[CHORUS]
I'm getting high on your love
And I walk on clouds above
Beyond the Eiffel Tower
I can feel the higher power
Getting high on your love
And I'd fly to stars above
Every minute every hour I get high

I've been in paradise
Everytime your touchin' me
Dive into lovin' eyes
Help I drown so easy
I getta bubble-eyes
Watcha really do to me
I just got to realise
I'm losing grip of space and time

Wandering in universe (Baby, Baby)
I know you got this effect on me

[CHORUS]

Whooh whooh
Whooh whooh
Whooh whooh
High
Whooh whooh
Whooh whooh
Whooh whooh

Middle 8
I take a trip into the outer space
With you
Share a bottle of wine on Mars
I touch your lips and feel the dreams
Inside come true
Come true, ooh yeah
