Everyone a child of the sun  
But the gap is wide open yet  
So we move straight to the might  
Far to some demon's delight, I know

Some of them white  
They always got right  
How can they dare [that] there's nothing to share

And I do, no better than anyone else,  
who's helping who, in any way  
And I see, too many things not changed,  
In a ";thousand-years"; time

Now I know, why I'm yearning  
Cause life is never turning  
Puppet on a string  
Deliverance, roar for deliverance

And you know why I'm yearning  
Cause life is never turning  
Puppet on a string  
Is a captive thing

Look this man is watching me  
He's always been a part of me  
And I see, left on the right  
reflecting my body and soul, always

And I see, I look at myself into the mirror of time

Now I know why I'm yearning  
Cause life is never turning  
Puppet on a string  
Deliverance, roar for deliverance  
And you know why I'm yearning  
Cause life is never turning  
Puppet on a string  
Is a captive thing

Save me, guardian of the poor  
Watching every gamble, playing for high score

You may say I'm blind, right or wrong  
Anywhere I belong  
I can't deny, but my will ain't strong

All this fake  
Sparkles out of gold  
Did you ever die for  
What your parents told

You may say I'm blind, right or wrong  
Anywhere I belong  
I can't deny, but my will ain't strong

Everyone a child of the sun  
But the gap is wide open yet  
So we move straight to the might  
Far to some demon's delight, I know

Now I know why I'm yearning  
Cause life is never turning  
Puppet on a string  
Deliverance, roar for deliverance

And you know why I'm yearning  
Cause life is never turning  
Puppet on a string  
Is a captive thing
