Equipped with the instruments of evil and an  
Enermouse increase of power Boris returned  
As a young man from the eternal fire. His  
Pollitical ambitions were immense. I listened  
To his famous speech he held in front of  
Thousands of people on PLAZA DE PAX. I  
Did't want to believe what my eyes and my  
Ears hand to endure. People were celebrating  
The...

...UPRIGHT LIAR

Human genius rules the world  
Explores the depth and height  
Enables us to use the word  
To give us peace of mind

I'll need all strength, I'll fight against a demon  
Who's leading us to deep disastrous down  
Dressed in white his lips make folks believe him  
He's the man to choose again to wear the nation's  
crown  
At any time, at any place  
Old spirits with old thoughts  
Unstable crowd is mesmerized  
Salutes an Upright

Liar  
Arms in motion  
Liar, merciless urge

Like a number on the tumbling dice  
Not aware of where you'll lie  
At the end you'll pay the highest price  
Boundless blame will bare your name

Too many brains are stormed, their hearts are burning  
Mind surrenders, passion strikes the truth  
Words taste sweet as honey: Eat by learning!  
I'm a lonely soul of doubts fearful of the news

Mind pollution

Phrases squeeze my ears  
Rage escorts my tears

At any time, at any place  
Old spirits with old thoughts  
Unstable crowd is mesmerized  
Salutes an Upright

Liar  
Arms in motion  
Liar, merciless urge

Like a number on the tumbling dice  
Not aware of where you'll lie  
At the end you'll pay the highest price  
Boundless blame will bare your name

One's tongue in one's cheek  
Praying words while the conscience sleeps  
Mental dying all around  
Bleating sheep the shepherd found

Big brother loves his siblings without mercy  
He pretends to keep them snug and safe  
But once a week on dreadful bloody thursday  
You can hear the whip tormenting disobedient slaves

Mind pollution  
Phrases squeeze my ears  
Rage escorts my tears

At any time, at any place  
Old spirits with old thoughts  
Unstable crowd is mesmerized  
Salutes an Upright

Liar  
Arms in motion  
Liar, merciless urge

Like a number on the tumbling dice  
Not aware of where you'll lie  
At the end you'll pay the highest price  
Boundless blame will bare your name
