I stand before you, accused of many crimes  
But I want to believe that love can still survive  
You don't have to say it, I don't have to read your mind  
To know the emptiness is finally arrived

How was I, to know the right from wrong  
Words were hardly spoken, so where did I go wrong?

Tell me honestly, if you're still loving me  
Looking into my eyes, honestly...

Words will have more meaning, if they're said at  
certain times  
I need you now so I can feel alive  
How would you know it, you won't give me sometime  
To see if everything could work out, you'd be mine

Oh, will love be lost forever but someday I may find  
The world we've all been searching for  
Or just some peace of mind...

Tell me honestly, if you're still loving me  
Looking into my eyes, honestly...

All the night I sit and wonder  
Must be more to laugh, I'm sure that  
Days and years gone by while I am  
Living with the...  
Oh, lonely feeling...
