Don't believe the things  
That people tell you  
I know more  
Than they ever could and  
Somewhere there is someone  
That feels the pain  
The same as I do  
Anger and confusion I feel inside  
But what can I do

You don't know the way I feel inside  
You don't know how much it hurts my pride  
When I'm crying out to you

Tell me to be strong  
It's easy to say  
But when things go wrong  
It's so hard to be  
You and I share  
The secrets of so many years  
We've been together  
Feeling exclusive can't be described  
So I can't share it

You don't know the way I feel inside  
You don't know how much it hurts my pride  
When I'm crying out to you

You don't know the way I feel inside  
You don't know how much it hurts my pride  
You don't know

You don't know the way I feel inside  
You don't know how much it hurts my pride

You don't know the way I feel inside
