My head is spinning round, my heart is in my shoes,  
yeah  
I went and set the Thames on fire, oh, now I must come  
back down  
She's laughing in her sleeve boys, I can feel it in my  
bones  
Oh, but anywhere I'm gonna lay my head, I'm gonna  
call my home

Well I see that the world is upside-down  
Seems that my pockets were filled up with gold  
And now the clouds, well they've covered over  
And the wind is blowing cold  
Well I don't need anybody, because I learned, I learned  
to be alone  
Well I said anywhere, anywhere, anywhere I lay my  
head, boys  
Well I gonna call my home
