When I'm lying in my bed at night
I don't want to grow up
Nothing ever seems to turn out right
I don't want to grow up

How do you move in a world of fog that's always
changing things?
Makes me wish that I could be a dog

When I see the price that you pay
I don't want to grow up
I don't ever want to be that way
I don't want to grow up

Seems like folks turn into things that they never want
The only thing to live for is today

I'm gonna put a hole in my TV set
I don't want to grow up
Open up the medicine chest
I don't want to grow up

I don't want to have to shout it out
I don't want my hair to fall off
I don't want to be filled with doubt
I don't want to be a good boy scout
I don't want to have to learn to count
I don't want to have the biggest amount
I don't want to grow up

When I see my parents fight
I don't want to grow up
They all go out and drinking all night
I don't want to grow up

I'd rather stay here in my room
Nothing out there but sad and gloom
I don't wanna live in a big old tomb on Grand Street

When I see the five o'clock news
I don't want to grow up

Comb their hair and then shine their shoes
I don't want to grow up

Stay around in my old hometown
I don't want to put no money down
I don't want to get me a big old loan
Work them fingers to the bone
I don't want to float a broom
Fall in love and get married then boom
How the hell did it get here so soon?
I don't want to grow up
