

Scarlett Johansson "Last Goodbye"

Visit "[Last Goodbye](#)" on MotoLyrics.com

This is our last goodbye
I hate to feel the love between us die
But it's over, just hear this and then I'll go
You gave me more to live for
More than you'll ever know

Oh, this is our last embrace
Must I dream and always see your face?
Why can't we overcome this wall?
Baby, maybe it's just because I didn't know you at all

Kiss me, please kiss me
Kiss me out of desire, babe, and not consolation
Oh, you know it makes me so angry
'Cause I know that in time
I'll only make you cry, this is our last goodbye

Thinking so hard on his soft eyes
And the memories offer signs
That it's over
