If you want money in your pocket  
And a top hat on your head  
And a hot meal on your table  
And a blanket on your bed  
Well, today is gray skies, tomorrow is tears  
You'll have to wait till yesterday's here

Well, I'm going to New York City  
And I'm leaving on a train  
And if you want to stay behind  
And wait till I get back again  
Well, today is gray skies, tomorrow is tears  
You'll have to wait till yesterday's here

If wanna go where the rainbows end  
You'll have to say goodbye  
All our dreams come true, baby, up ahead  
In a town where your memories lie

Now the road is out before me  
And the moon is shining bright  
What I want you to remember  
As I disappear tonight  
Well, today is gray skies, tomorrow is tears  
You'll have to wait till yesterday's here
