You want me tied up  
Bound forever in love  
Your plans for me are made  
Got a life to give, as set in stone  
But until you change, I'm leaving you alone

You've been begging me to stay  
But still you, refuse to change your ways

I don't wanna be your valentine  
And I won't ever bow to you  
All your words, I still see through  
The only one stuck on you is you, my valentine

You want me to believe you  
Bound forever in lies  
Don't think I can see  
Through your sugar-coated eyes  
You can see the real me, seeing through your lies

You've been begging me to stay  
But still you, refuse to change your ways

I don't wanna be your valentine  
And I won't ever bow to you  
All your words, I still see through  
The only one stuck on you is you

If your heart won't give  
And only takes  
Then I won't give you mine to break  
For all your words are still so blind  
Well I can't be your valentine, my valentine

I don't wanna be your valentine  
And I won't ever bow to you  
All your words, I still see through  
The only one stuck on you is you

If your heart won't give  
And only takes  
Then I won't give you mine to break

For all your words are still so blind  
Well I can't be your valentine, my valentine

I can't be your valentine  
I can't be your valentine, my valentine
