If you feel like a little love that's all right with me  
If you'd rather we can sit and talk a while or maybe  
watch TV  
If you feel like a little loving baby I feel like a little too  
Cause I feel like a little loving anytime that I'm with you

Anytime that the world has got you down

Look to me I'll be around and I'll get you up again  
And if you'll find that you need someplace to go  
I'll be waitin' here you know as a lover and a friend  
If you feel like a little...  
[ steel ]  
If you feel like a little...
