Ooh I love to be loved I love to be loved by you
Ooh I love to be loved I love to be loved by you

Oh baby you're so sweet you make me feel like a honey
bear
It's such a special time just to be with you anywhere
I look in your eyes and fall in a deep blue sea
Although worth it smile is a sunshine and only for me

Ooh I love to be loved I love to be loved by you
Ooh I love to be loved only be loved by you

Ooh I wanna be loved cause I'm so in love with you
Ooh I love to be loved I love to be loved by you
[guitar - piano]
Oh baby it's so nice to know that I'm the only one
It's just like paradise together we have just begun
Yeah with every new year you know that I love you more
Forever and ever you're all that I'll be livin' for
Ooh I love to be loved...
Ooh I love to be loved...
