I've been so wrong for so long but I'm begging you to
take me back tonight

Honey I know it's a surprise to see me
You feel surprised how much I've changed since you've
been gone

And I know it's hard for me to tell you I've been so
wrong for so long

I've been so wrong for so long I don't know if I've ever
been right

I've been so wrong for so long but I'm begging you to
take me back tonight

And honey too many times I've hurt your feelings

Because I wanted everything my way

But if too many teardrops have been falling

I'll make the sunshine again for you some day

I've been so wrong for so long...

I've been so wrong for so long...
