I'm livin' at the end of the rainbow
I found a pot of gold that's all for me
A snow white Cinderella wrapped up in faded jeans
And our little home's a castle got an angel lovin' me

Ain't it funny that the little things in life had touched my
soul
Recollecting the first time we shared our love-you's
make me know

Kiddie's dream's such a fool thing still mean as much
to me
As way back when but then again
Just the girl you are today the tender love can't wait
It makes me say thank God for where I am
I'm livin' at the end...
And our little home's a castle got an angel lovin' me
