"What We Can Do"

We are the world,
We are the children.
We are the ones who fuck
girls with no adult supervision.

We'll make you horny,
Until the day you die,
We'll make you horny till
Your nipples fly right through the sky.

We're gonna party all night long,
Till my dick goes through your thong.

What we can do,
What we can do,
Is party till your face turns blue.
What we can do,
What we can do,
Is party till you thong turns blue!

We're gonna party on the bed,
Party on the floor,
Party so hard I
Grow a 'fro!

I'll make you the horniest bastard,
Cause I am the partying master.
So come join me in my party fantasy.
You'll never fuck anyone but me.
And that's what we can do!

And then I woke up.
