So what's your problem now?  
You always have something to complain about.  
So you placed the blame on me.  
Just open up your eyes and then you'll see  
What's going on?  
My priorities have changed and it won't take too long.  
Can't you see?  
That right in front of you, stands the real me, real me  
You read me like a book  
I still have no idea how you  
So you placed the blame on me  
Just open up your eyes and then you'll see  
What's going on?  
My priorities have changed and it won't take too long.  
Now  
Can't you see?  
That right in front of you, stands the real me, real me  
(He shouts stuff but I donno what he says)  
Can't you see?  
What's going on?  
My priorities have changed and it won't take too long.  
It wont take long!
