Faded pictures of the life that I once loved, with the
flash the moments gone, I gave up all i have for
something that never brought me any comfort now, i'd
be lost to long
Deny it but i am alone here
I've always hated this place,
I never thought it end this way.
Deny it but i am alone (another nameless face)
Deny it but i am alone here,
I've always hated this place,
I never thought it end this way.
Deny it but i am alone (please don't forget my name)
Deny it but i am alone
Empty pages warn me and I can't move on the words i
never said were wrong
I never needed to feel connected and now i'm only
loved by empty glasses,
Its gone on too long
I need to find a way to stress my way
Deny it but I am alone here,
I've always hated this place
I never thought it end this way
Deny it but I am alone (another nameless face)
Deny it but I am alone here,
I've always hated this
I never thought it end this way
Deny it but I am alone (please don't forget my name)
Deny it but I am alone
I'm tired of you wishing me the best
All the time
Oh oh
Its a long ride home a long ride home ohhh ohhh oooo
Deny it but I am alone here
I've always hated this place
I never thought it end this way
Deny it but I am alone (Another nameless face)
Deny it but I am alone here
I've always hated this place
I never thought it end this way
Deny it but I am alone (please don't forget my name)
Deny it but I am alone
