Ba bo bey, bo bupado, ba BA ba, ba bapidy

I'm calling out from scatland!
I'm calling out from scatman's world!

If you, wanna break free, you better listen to me,
you've gotta learn how to see in your fantasy!

I'm calling out from scatland!
I'm calling out from scatman's world!

If you, wanna break free, you better listen to me,
you've gotta learn how to see in your fantasy!

Everybodies talking, somethin' very shockin', just to
keep on blockin' what they're feeling inside

But listen to me brother, you just keep on walkin', cause
you and me and sister ain't got nothin' to hide!

Scatman, fat man, black and white and brown man, tell
me bout the color of your SOUL.

If part of your solution is an ending of pollution, then i
don't want to hear your stories told, I want to welcome
you to scatman's world.

Ba bo bey, bo bupado, ba BA ba, ba bapidy
Ba bo bey, bo bupado, ba BA ba, bi bapidy
Ba bo bey, bo bupado, ba bo bey, bo bupado
Ba bo bey, bo bupado, ba BA ba, ba bapidy

I'm calling out from scatland!
I'm calling out from scatman's world!

if you, wanna break free, you better listen to me,
you've gotta learn how to see in your fantasy!

Everybodies born to compeat as he chooses, but how
can someone win if winning means that someone
looses?

I sit and see and wonder what it's like to be in touch, no
wonder all my brothers and my sisters need a crutch.

I wanna be a human being, not a human doing, i
couldn't keep that pace up if I tried.

The source of my attention really isn't crime
prevention, my attention is prevention of the lie, yeah,
welcome to the scatman's world.

Ba bo bey, bo bupado, ba BA ba, ba bapidy
Ba bo bey, bo bupado, ba BA ba, bi bapidy
Ba bo bey, bo bupado, ba bo bey, bo bupado
