Invisible noise. doubt in my eyes. a haunted soul was  
my surprise. a flame over my head, a gift she said. to  
renovate my spirit, but that didn't do it. crying at the  
steps. don't regret. crying at the steps where we met.  
tears filled my hands. for what? for what? guilt for my  
head. i'm not, i'm not. crying at the steps. don't regret.  
crying at the steps where we met. tears filled my  
hands. for what? for what? guilt for my head. i'm not.  
i'm not. i've been like this since my first breath. i'll be  
like this until my death. blood stains on my bed  
because of what's inside my head. the flame fades but  
the gift remains. crying at the steps where we met.  
tears filled my hands. for what? for what? guilt for my  
head. i'm not, i'm not. crying at the steps. don't regret.  
crying at the steps where we met. tears filled my  
hands. for what? for what? guilt for my head. i'm not.  
i'm not. take the thorns from your head. take the nails  
from your wrist. take the spear from your side and blow  
God a kiss. take the thorns from your head. take the  
nails from your wrist. take the spear from your side and  
blow God a kiss.
