Bathed in disgust, with my lack of trust in the human race. how can this be? you're apart of me. i won't accept this. i'm a different species. you don't need me and i don't want you. see this finger. this means fuck you. you don't need me and i don't want you. see this finger. this means fuck you. i refuse to be human. let me go. i refuse to be human. just say no. i refuse to be human. let me go. i refuse to be human. just say no. bathed in disgust, with my lack of trust in the human race. how can this be? you're apart of me. i won't accept this. i'm a different species. you don't need me and i don't want you. see this finger. this means fuck you. you don't need me and i don't want you. see this finger. this means fuck you. humanity, qualities of kindness and sympathy. humanity, qualities of kindness and sympathy. i refuse to be human. let me go. i refuse to be human. just say no. i refuse to be human. let me go. i refuse to be human. just say no.
