If i was the X-men my power be the shit storm
Hey hey hey (yeah) hey hey, hey hey hey hey
Hey hey hey (yeah) hey hey hey hey hey hey

Do it like i do it, do it like i do
Everybody's getting mad cause nobody has a clue
How i do it like i do it, do it like i do
Everybody's getting mad case nobody has a clue
Do it like i do it, do it like i do
everybody's getting mad cause nobody has a clue
Do it like i do it, do it like i do
Everybody's getting mad case nobody has a clue

Do it like Spanky do it
Cant put a bandana over your face and make everyone
suspicious
Wait wait hush hush, you cant do like us, you cant act
like us
Cause every time you try you get confused
And every time you try we get amused
So try to get the flippy thing
Try to get a lip ring, try to wear tight jeans
You wish you could be like the scene kid Spanky

Do it like i do it, do it like i do
Everybody's getting mad cause nobody has a clue
How i do it like i do it, do it like i do
Everybody's getting mad case nobody has a clue
Do it like i do it, do it like i do
everybody's getting mad cause nobody has a clue
Do it like i do it, do it like i do
Everybody's getting mad case nobody has a clue

You cant be like me, im way to advanced for you
Go and take a picture and ill pull it out my pants for you
I get away with sh*t like that
Heres a couple quarters go to the laundry mat
Dirty Gerty, little with mom until your dirty
Stop trying to make clothes man your sh*t is looking
nerdy
You cant do it like i do it, the way i do its to hard

When you see the way i do it man you'll sh*t a f**king
jar

Do it like i do it, do it like i do
Everybody's getting mad cause nobody has a clue
How i do it like i do it, do it like i do
Everybody's getting mad case nobody has a clue
Do it like i do it, do it like i do
Everybody's getting mad cause nobody has a clue
Do it like i do it, do it like i do
Everybody's getting mad case nobody has a clue

If i was the X-men my power be the shit storm
