(Baby, don't ever leave....Baby, just stay with me....)

I loved you, now you've gone and left me here.  
And it hurts when I breathe, why did you have to go?  
You were the one I wanted, you were the one that I  
deserved.  
Now you're gone and I'm scared, and we won't ever be  
the same.

I see you, and you make me weak at my words.  
You're so cute and so small, for you I've always  
yearned.  
I wanna wrap you up and be with you forever.  
Baby don't ever leave, baby, just stay with me.

I loved you, now you've gone and left me here.  
And it hurts when I breathe, why did you have to go?  
You were the one I wanted, you were the one that I  
deserved.  
Now you're gone and I'm scared, and we won't ever be  
the same.

Why did you have to go?  
My heart is bleeding on the floor.  
I'm on my knees begging, and I don't want to beg for  
more.  
I'm so cliché, it's hard for me to find the words.

I'll write this note for you, and maybe you can listen  
and learn.

I loved you, now you've gone and left me here.  
And it hurts when I breathe, why did you have to go?  
You were the one I wanted, you were the one that I  
deserved.  
Now you're gone and I'm scared, and we won't ever be  
the same.

(Now you're gone and I'm scared and we won't ever be  
the same.)

I loved you, now you've gone and left me here.

And it hurts when I breathe, why did you have to go?  
You were the one I wanted, you were the one that I  
deserved.  
Now you're gone and I'm scared, and we won't ever be  
the same.

( And we won't ever be the same.....)

Why did you have to go? Oh oh, Oh oh.

This is my note for you, why did you have to go?

This is my note for you, why did you have to go?
