You're in a world of trouble
I can just see it now
You're taking these chances like teenage romances
And I can't believe you're brushing it off
Like my heart's on your sleeve

And we will make the mistakes we did
When we were younger
Falling harder than ever
Cause you, you never see
That he's two-timing you
As you pray on your own sorry
You're own sorry
Oh

Come on, come on
Let's go a little faster
Well I'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone
I'm a fighter
You're a lover
Come on, come on
Let's go a little faster
Well I'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone
I'm a fighter
You're a lover

As the smoke comes from your lips
And we share our last sacred kiss
I ask is cheating and fighting and someone else on
your mind
Oh
Cause maybe it's just the force fallin' hope
And I could just say a romantic joke
But I swear I could never forget your eyes
And I feel it's time

Come on, come on
Let's go a little faster
Well I'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone

I'm a fighter,
You're a lover
Come on, come on
Let's go a little faster
Well I'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone
I'm a fighter
You're a lover

Well loose lips
And loosing fingertips on every inch of her skin,
She's falling apart with my pretentious green eyes
And seeing her voluptuous thighs
And her clothes on the floor next to my bed
She screams
I can't believe what she just said
You just don't know

Come on, come on
Let's go a little faster
Well I'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone
I'm a fighter
You're a lover
Come on, come on
Let's go a little faster
Well I'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone
I'm a fighter
You're a lover
