Hey jessica when did you notice  
your falling apart and falling in love with me

so let me go down a list of why  
this is so perfect just so perfect oh  
you could never know  
so tell me when did you notice  
your hopeless for me  
well just to let you know im a machine

well its a shame she never saw me standing there  
oh i swear im so happy she was blind  
it brought me to her eyes, into her eyes

i know you better than you ever  
knew yourself, do you know yourself  
well is it worth it, cuz know your so perfect i cant help  
myself  
and did you know when you first met me, id be this  
way, yah i feel the same  
well is it worth it 'cause know its so perfect i hope you  
stay this way
