I must admit Iâ€™m an open wound
So would somebody please take the salt
away from her hand.
And your heart would be open too
if my words came for your throat just as yours did
And sound familiar?
I think it should.
So I added another song to your collection.
And does it hurt?
Yeah I knew it would.
So much for nice tries and your ambition.

I donâ€™t hate you cause youâ€™re beautiful.
No Iâ€™d like to think youâ€™ve given me much better
reasons than that.
Donâ€™t hate me cause Iâ€™m miserable.
My pages fill with your words faster than youâ€™ll ever
know.

Iâ€™m not trying to make it worse
but test me again and Iâ€™ll bet that we can go there.
But your words sounded so rehearsed.
How many times did it take for you to get where
you are as we stand today?
Just bury this where you know that it wonâ€™t be found.
Iâ€™m not good at this anyway.
All I could say to you is what Iâ€™ve wrote down.

I donâ€™t hate you cause youâ€™re beautiful.
No Iâ€™d like to think youâ€™ve given me much better
reasons than that.
Donâ€™t hate me cause Iâ€™m miserable.
My pages fill with your words faster than youâ€™ll ever
know.

I donâ€™t hate you cause youâ€™re beautiful.
No Iâ€™d like to think youâ€™ve given me much better
reasons than that.
Donâ€™t hate me cause Iâ€™m miserable.
My pages fill with your words faster than youâ€™ll ever
know.

I don't hate you cause you're beautiful.
I'd like to think you've given me a much better
reason than that.
Don't hate me cause I'm miserable.
My pages fill with your words faster than you'll ever
know.

(You'll ever know)
You'll ever know
(You'll ever know)
You'll ever know
