Hot girl, you're doin' it well

The way your hips move got me under a spell

Right now I don't really care who's watchin'

I wanna dance all night long, no stoppin'

You, you, you, yeah, you

Pretend they're not here just do what you do

I'm a kick back 'cause I got a nice view

Wow, this feels like a dÃ©jÃ vu

Girl, you look familiar, where do I know you from?

Have you been to visit me at aggrosantos.com?

Step into my world, I am sure you want to come

Check my Facebook, I got pictures I'ma give you some,
ooh

Ooh, come and getcha some, come and getcha some
candy

Ooh, ooh, come and getcha some, come and getcha
some candy

Ooh, come and getcha some, come and getcha some
candy

Ooh, ooh, come and getcha some, come and getcha
candy

Ela e bela, ja era, eu quero da pra ela
Ela e bela, ja era, eu quero da pra ela
Ela e bela, ja era, eu quero da pra ela
Ela e bela, ja era, eu quero da pra ela pronto

A sweet touch comes handy man
Don't be afraid of the candy man
I got a sweet tooth, now I want a sweet girl
And we're straight up, if we do kiss, we do tell

You, you, you, yeah, you
Pretend they're not here just do what you do
I'm a kick back 'cause I got a nice view
Wow, this feels like a dÃ©jÃ vu
