Wi wi wiggle it slow
Girls, wi wi wiggle it slow
If you got rhythm and flow rhythm and flow
Wi wi wiggle it slow
Girls, wi wi wiggle it slow
Girls, wi wi wiggle it slow
If you got rhythm and flow rhythm and flow
Wi wi wiggle it slow

When I'm in the club I'll be holding my stance
Observe the prey then counter advance
If she wants to dance then I'll give her a chance
But one thing I don't wanna hear is I can't
When I blow, flow, flow
It get so hot it blows the meter
I wanna go go go so hard it will blow up the speaker

A, out all your girls you the nicest
I got the kimbo bars they can't fight it
We should get together be the flyest
You ain't got the slightest
So that's why I advise it
I got past, check my attendance
You looking good something I should mention
And tell your boyfriend not to judge me
Even though I get payed every time I give a sentence

If you taste the power get down
Bringing you the finest in town
I provide that feel good sound
And I know you need it
I got rhy rhy rhythm and flow
Get wi wi wid it let's go
The crowd love what I say when DJ sets play
So wi wi wiggle it slow
Man I got rhy rhy rhythm and flow
Get wi wi wid it let's go
The crowd love what I say when DJ sets play
So wi wi wiggle it slow
Girls, wi wi wiggle it slow
Girls, wi wi wiggle it slow
If you got rhythm and flow rhythm and flow

Wi wi wiggle it slow
Girls, wi wi wiggle it slow
Girls, wi wi wiggle it slow
If you got rhythm and flow rhythm and flow
Wi wi wiggle it slow

It's me!
I like 'em more than a little bit
I'm out there watching them gi gi giggle it
And I can get them quick
Cause there's three of them three of us
Drinks I'm lickelit

I'm looking for a girl that's got rhythm and flow
That can go low
Wi wi wiggle it slow
And I'ma come through like the second track of Marvell
fame 2
Let let let me have a go

I don't wanna sound inconsiderate girls
But I really wanna see you wiggle it girls
Go outside have a cigarette girls
You know get to know you, then chill a bit girls
And I don't like militant girls
But I love cute sweet and innocent girls
But if you got a flow flow then let's go
But if you got no rhythm then it's no

If you taste the power get down
Bringing you the finest in town
I provide that feel good sound
And I know you need it
I got rhy rhy rhythm and flow
Get wi wi wid it let's go
The crowd love what I say when DJ sets play
So wi wi wiggle it slow
Man I got rhy rhy rhythm and flow
Get wi wi wid it let's go
The crowd love what I say when DJ sets play
So wi wi wiggle it slow
Girls, wi wi wiggle it slow
Girls, wi wi wiggle it slow
If you got rhythm and flow rhythm and flow
Wi wi wiggle it slow
Girls, wi wi wiggle it slow
Girls, wi wi wiggle it slow
If you got rhythm and flow rhythm and flow
Wi wi wiggle it slow

If you taste the power get down

Bringing you the finest in town
I provide that feel good sound
And I know you need it
Wind your window down please loud
If you like the sound then be proud
Shine like a star in the crowd
Cause I know you want it

If you taste the power get down
Bringing you the finest in town
I provide that feel good sound
And I know you need it
Wind your window down please loud
If you like the sound then be proud
Shine like a star in the crowd
Cause I know you want it want it want it want it want it

I got rhy rhy rhythm and flow
Get wi wi wid it let's go
The crowd love what I say when DJ sets play
So wi wi wiggle it slow
Man I got rhy rhy rhythm and flow
Get wi wi wid it let's go
The crowd love what I say when DJ sets play
So wi wi wiggle it slow
Girls, wi wi wiggle it slow
Girls, wi wi wiggle it slow
If you got rhythm and flow rhythm and flow
Wi wi wiggle it slow
Girls, wi wi wiggle it slow
Girls, wi wi wiggle it slow
If you got rhythm and flow rhythm and flow
Wi wi wiggle it slow
