Lock it up so far inside
And throw away the key
Like looking for the way out in a maze
Push me round, step on my toes
Shoot bullets at my feet
Set the world on fire
And make me run the flames
Look this building up and down
Then you smash it, shake it to the ground
I got a love hate, love hate
Love Hate Relationship with you
I love to hate to love to hate
The things that you do
I got a love hate relationship
Keep me guessing, tease my soul
And tie me up in chains
Making love on a bed of nails
To let it show
I don't care how much it hurts
I enjoy the pain
Teach me all those things
I ought to know
Whats right for you is wrong for me
We can only agree to disagree
I got a love hate, love hate
Love Hate Relationship with you
I love to hate to love to hate
The things that you do

I got a love hate relationship
I got a love hate relationship
It's a passion panorama
Non-stop melodrama
And I just don't know what to do.
I say yes, you say no
I say stop, you say go
I got a love hate, love hate
Love Hate Relationship with you
I love to hate to love to hate
The things that you do
I got a love hate relationship
I got a love hate, love hate

Love Hate Relationship with you
I love to hate to love to hate
The things that you do
I got a love hate relationship
Love hate love - those crazy things you do
Like when you swear it's a lie
And I know it's true
Love hate love relationship with you.
I got a love hate, love hate
Love Hate Relationship with you
I love to hate to love to hate
The things that you do
I got a love hate relationship
