It's written all over your face
When you think the unthinkable
When you do the undoable
Won't you make up your mind
Haven't got much time
And I can hear it in your heart
When you break the unbreakable
Oh - when you love the unlovable
It's like watching a movie
With the sound turned down
What is it? - I got to know
What is it? - you're thinking of
You got a ticket, you went and bought
A one-way passage on that train of thought
In this illusion - you never feel alone
In this illusion - oh, no
Now I can see it in you eyes

When you do the impossible
When you reach the unreachable
Won't you make up your mind
Haven't got much time
And I know it tears you apart
When you touch the untouchable
As you bear the unbearable
It's like watching the T.V.
With the colour up full
What is it? - I got to know
What is it? - you're thinking of
You got a ticket, you went and bought
A one-way passage on that train of thought
In this illusion
Come on and take a ride
And see the other side
Of this illusion - Oh, no, no.
