Oh, it's just a kiss
Oh oh, it's just a kiss
Boy you're stepping in the danger zone
If you keep it up, you're gonna be on your own
We got rules so you better check check
Yourself before you blow it all, so
Help now, figure out, why you're really here

And all the girls say aye aye
Back off boys cause you know we're just playing
And all the girls now, oh oh
Rather have fun and you're getting in the way, so
Get back, get back, get back, get back
It's just a kiss, no more than that
And all the girls say, aye hey yeah
Don't you wish, don't you wish?
But it was just a kiss
It was just a, it was just a kiss

When you gonna gonna let it be?
I keep on showing you but you just don't believe
We're not the kind of girls
That jump, yes that's a no
You shouldn't have to spell it out for you
So help yourself, figure out, why your really here

And all the girls say aye aye
Back off boys cause you know we're just playing
And all the girls now, oh oh
Rather have fun and you're getting in the way, so
Get back, get back, get back, get back

It's just a kiss, no more than that
And all the girls say, aye hey yeah
Don't you wish, don't you wish?
But it was just a kiss

Ah ha don't you wish?, ah ha don't you wish?
Ah ha don't you wish?, ah ha don't you wish?
You think you know but your not in the girl's room
Acting like a fool but it's all in your attitude

It's like a dance that we do
When we flirt, take some dirt
It's how we reckon that you really know
It's just a kiss

And all the girls say aye aye
Back off boys cause you know we're just playing
And all the girls now, oh oh
Rather have fun and you're getting in the way, so
Get back, get back, get back, get back
It's just a kiss, no more than that
And all the girls say, aye hey yeah
Don't you wish, don't you wish?
But it was just a kiss

Don't you wish? (ah ha don't you wish?)
Don't you wish? (ah ha don't you wish?)
Don't you wish? (ah ha don't you wish?)
Don't you wish? but it was just a muah
