Save my place.
I don't want to be forgotten.
I don't want to be forgotten.
Save my place.

Save my place.
You're going to hear something rotten.
You're going to hear something rotten.
Save my place.

Save my place.
I don't want to be forgotten.
I don't want to be forgotten.
Save my place.

Don't believe them if they say
Don't believe them if they say
Don't believe them if they say anything bad
Don't believe them if they say
Don't believe them if they say
Don't believe them if they say anything bad
Save my place.

Save my place.
I don't want to be forgotten.
I don't want to be forgotten.
Save my place.

Don't believe them if they say
Don't believe them if they say
Don't believe them if they say anything bad
Don't believe them if they say
Don't believe them if they say
Don't believe them if they say anything bad
Save my place.
