She went away and left me

Oh She never said a word  
And even if she would have told me  
I probably never would have heard  
Well she once said no other woman honey  
could lay up in her bed

Noe theres cum stains on the pillow  
Where she once laid her head  
cum stains on the pillow  
in the middle of the bed

I found me a true fine momma  
and she got some damn good head  
but i hope shes out there listening  
to every word i said

Cause theres cum stains on the pillow  
Where she once laid her head  
(Play it now Guitar Solo)

Here now when she took my Cadillac  
That didnt bother me abit  
When she took that blue tick hound  
she shouldnt ever done that shit

Never thought Id see the day  
Her love would be as dead  
as the cum stains on the pillow  
Where she once laid her head

Cum stains on the pillow  
In the middle of the bed  
Found me a too fine momma  
and shes got some damn good head

I hope your out there listening  
To every word i said  
Cause there cum stains on the pillow  
where you once laid your head

Yes theres cum stains on the pillow  
In the middle of bed
