(with Evelyn C Shapiro)

Its 5 in the mornin'  
And I've been waiting up all night  
Left with no warning  
And baby you know that ain't right

Don't be a stranger  
We've been together much too long  
Don't be a stranger  
Come on back where you belong

Its 5 in the morning

Have you found another  
Is that the reason I'm alone  
Have you found a lover  
Is that the reason you're not home

Don't be a stranger  
We've been together much too long  
Don't be a stranger  
Come on back where you belong

Have you found another

Until I hear you say you don't want me  
I'll never be the one to set you free

I sit and I wonder  
Have we lost the love we've known for years  
It's pullin' me under  
To think I'll drown in all of tears

Don't be a stranger  
We've been together much too long  
Don't be a stranger  
Come on back where you belong

6 in the mornin'  
You left with no warnin'

I sit and I wonder;  
Don't be a stranger  
Don't be a stranger  
8 in the mornin'  
Don't be a stranger  
Don't be a stranger  
Don't be a stranger  
Don't be a stranger  
Don't be a stranger
