Got you on my mind
Fellin' kind of sad and low

Got you on mind
Fellin' kind of sad and low

Wonderin' where you are
Wonderin' why you had to go

Tears began to fall
Every time I hear your name

Tears began to fall
Every time I hear your name

Since you went away
Nothing seems to be the same

No matter how I try
My heart keeps telling me that I
Can't forget you

If it should ever be
That you wanna come back to me
I'm gonna let you

Got you on my mind
Fellin' kind of sad and low

Got you on mind
Fellin' kind of sad and low

Wonderin' where you are
Wonderin' why you had to go
