You may be an ambassador to England or France
You might like to gamble, you might like to dance
You may be the heavyweight champion of the world
You might be a socialite with a long string of pearls

But you're gonna have to serve somebody, serve
somebody

Serve somebody, serve somebody
It might be the devil or it might be the Lord
But you're gonna have to serve somebody

You might be a rock 'n' roll man, prancing on the stage
Plenty of drugs at your command and women in a cage
You might be a businessman or some high degree
thief
They may call you 'Doctor', they may call you 'Chief'

But you're gonna have to serve somebody, serve
somebody
Oh, serve somebody, yeah, yeah, serve somebody
Oh, it may be the devil or it might be the Lord
But you're gonna have to serve somebody

Now, you may be a State Trooper, you might be a
young Turk
You may even be the head of some great big TV
network
You may be rich or poor and you may be blind or
chained
You might be living in another country under another
name

But you're gonna have to serve somebody, serve
somebody
Oh, serve somebody, serve somebody
It might be the devil or it might be the Lord
But you're still gonna have to serve somebody

Maybe a construction worker working on a home
Might be living in a mansion, you might live in a dome
You may own guns, you may even own tanks

You may be somebody's landlord, you might even own
banks

But you're gonna have to serve somebody, serve
somebody

Oh yeah, serve somebody, serve somebody
Oh, it might be the devil or it might be the Lord
But you're gonna have to serve somebody

Now you can call me Terry or you might call me Moore
You may call me David or you might call me Coe
You can call me RJ or you can call me Ray
You can call me anything, I don't care what you say

You're gonna have to serve somebody, serve
somebody

Oh, serve somebody, serve somebody
It might be the devil or it might be the Lord
But you're gonna have to serve somebody

You may be a rock 'n' roll star, prancing on the stage
You got plenty of drugs at your command, you got
women in a cage
You might be a big businessman or some high degree
thief
Now they might call you 'Doctor', they might call you
'Chief'

But you're gonna have to serve somebody, serve
somebody

Serve somebody, serve somebody
It might be the devil or it might be the Lord
But you're gonna have to serve somebody

It might be the devil, it might be, it might be the Lord
But you're gonna have to serve somebody, serve
somebody

Oh man, you're gonna have to serve somebody, serve
somebody

Serve somebody, serve somebody
Serve somebody, serve somebody

It might be the devil or it might be the Lord
Serve somebody, serve somebody
Serve somebody, serve somebody
Serve somebody, serve somebody
Somebody, somebody
It might be the devil or it might be the Lord
