Just keep the motor runnin'
This won't take very long
By the time the police get here
We'll be already gone

We've got to leave 'em hangin'
We can't leave 'em no clues
Just take the money and run

Lord, I love robbing banks
Lord, I love robbing banks
I always tell the teller
Thanks Lord, I love robbing banks

I like to holler stick up
When I walk through the door
It lets 'em know their safe
Just isn't safe anymore

I like to see their faces
When I show them my gun
Then take the money and run
Lord, I love robbing banks
Lord, I love robbing banks
I always tell the teller
Thanks Lord, I love robbing banks

Five'll get you ten
She'll push the burglar system
Ten'll get you twenty years
On some prison farm

The first thing that I do
Is make 'em lay on the floor
Then take the money and run

Lord, I love robbing banks
Lord, I love robbing banks
I always tell the teller
Thanks Lord, I love robbing banks

Lord, I love robbing banks

Lord, I love robbing banks
I always tell the teller
Thanks Lord, I love robbing banks
