I'd walk across Kansas in a New York minute  
Climb the Colorado mountains in the fall  
Crawl through Arizona like a flat land lizard  
If I thought it'd do me any good at all

I could swim Lake Erie with my hands tied behind me  
Eat a West Virginia coal miner shoes  
Drink the Mississippi river if it took a mouth of Sundays  
Just to prove my love for you

I remember well the first time that I kissed you  
'Cause the things ain't been the same ever since  
You got me thinkin' I could eat a ten penny nail  
And spit out a barbed wire fence

Now there ain't a livin' creature gonna ever come  
between us  
I'd fight lions, snakes and gorillas too  
And if that ain't enough we'll start all over  
Just to prove my love for you

I could ride my pony through the eye of a hurricane  
Climb mount Everest on a string  
Jump Niagara falls in a burnin' barrel  
And bring you back a hoop smoke ring

Wrestle alligators in the Okefenokee  
There's nothin' that I wouldn't do  
If you just say the word I'll catch that great speckled  
bird  
And bring it back to you

I remember well the first time that I kissed you  
'Cause the things ain't been the same ever since  
You got me thinkin' I could eat a ten penny nail  
And spit out a barbed wire fence

Now there ain't a livin' creature gonna ever come  
between us  
I'd fight lions snakes and gorillas too  
And if that ain't enough we'll start all over  
Just to prove my love for you

I could walk across Kansas in a New York minute  
Climb the Colorado mountains in the fall  
Crawl through Arizona like a flatland lizard  
If I thought it'd do me any good at all

I could swim Lake Erie with my hands tied behind me  
Eat a West Virginia coal miner shoes
