I like sugar, and I like tea
But I don't like niggers
No Siree
There's two lone things
That will make me puke
That's a hog eatin slop
And a big black spook
You know it cause I show it
Like a barn yard rooster I crow it
And the NAACP
Would sure like to get a hold of niggerhatin' me
Roses are red,
And Violets are blue,
And niggers are black
You know that's true
But they don't mind
Cause what the heck
You gotta be black to get a Welfare check
And I'm broke no joke
I ain't gotta nickel for a coke
And I ain't black you see
So Uncle Sam won't help poor Niggerhatin' me
Jiggaboo Jiggaboo where are you
I was here on the woodpile watching you
Jiggaboo Jiggaboo come out
Naw sir I scar'd of the White Man way down South
You know it cause I show it
Stick your black head out and I'll blow it
And The NAACP can't keep you away from little ol
niggerhatin' me
Mirror Mirror
On the wall
Who is the blackest of them all
A man named King it ain't no dought
He's causin lots of trouble with his Baboon mouth
The ruin he's a doing is caused by the trouble he's a
brewin'
And the NAACP can't win if the white man stick with
Niggerhatin' me
Hey mister president what do you say
When are we whites gonna have our day
The niggers had theirs such a long long time

I'm white and it's time that I have mine
You know it cause I show it stick your black head out
and I'll blow it
And the NAACP can't win if the white man stick with
Niggerhatin' me
