Forever my darling our love will be true
Always and forever, I'll love only you
Just promise me darling, your love in return
Make this fire in my soul dear forever burn

My heart's at your command dear
To keep love and to hold
Making you happy's my desire
Keeping you is my goal
I'll forever love you the rest of my days

I'll never part from you and your loving ways

My heart's at your command dear
To keep love and to hold
Making you happy's my desire
Loving you is my goal
I'll forever love you the rest of my days
And I'll never part from you and your loving ways

This is my last letter
End of the song
My life is so miserable
I can't go on
