If you're feeling lonely
And think you're the only one
Left that's alone in a bar
If you need somebody
With shoulders to cry on
Well, baby, I'm not very far
Just look for my name on a jukebox
When you're tired of being alone
Put in a dime
And I'll take the time
To sing you a sad country song

If you started drinkin'
And still can't stop thinkin'
About all those all nights alone
If teardrops start fallin'
And you keep on callin'
To find out there's nobody home
Just look for my name on a jukebox
When you're tired of being alone
Put in a dime
And I'll take the time
I'll sing you a sad country song
