You got a one horse ranch in Texas you got a mansion
in Spain
You blew in on a Greyhound bus honey you flew in your
own plane
You got drunk on whiskey seen you get tipsy on wine
We got a bad thing goin' it's just a bad thing goin'
We got a bad thing goin' but don't it feel fine

You sure are a high class lady you got a blue blood in
your veins
You're a rose in the bright sunshine I'm a cowboy in the
rain
We ain't got nothin' in common cept for a little time
We got a bad thing goin'...

You're a rodeo rattler and a midnight gambler you ain't
never had a job
And I just found out your daddy owns a bank I was fixin'
to rob
[guitar]
You got a one horse ranch in Texas...

Yeah we ain't got nothin' in common you know that girl
you must have missed it
Be like ridin' in them barrel races and like sailin' them
boats
