Nobody wants me for Christmas,
I want everyone.
Nobody wants me for Christmas,
Now the day has come.

Cross my heart, I'll wait so patiently to watch you in
your suffering.
You're soul's the only gift I'm taking, evil tidings we
shall bring.

Sleigh bells ringing,
Choir singing.
You'll be screaming,
We're clawing at your door.

Oh~, I want your soul for Christmas.
Oh~, I want your soul for Christmas.

Stockings filled with blood and coal,
We bring to you this Christmas,
Oh~, I want your soul for Christmas.

All the children pray for snow,
But if they only knew.
Wrapped tightly in their blankets,
Soon they'll be consumed.

Snowflakes of flesh are gently gliding down to earth,
The ashes of your generations make the whitest
Christmas.

Sleigh bells ringing,
Choir singing.
You'll be screaming,
We're clawing at your door.

Oh~, I want your soul for Christmas.
Oh~, I want your soul for Christmas.

Stockings filled with blood and coal,
We bring to you this Christmas,

Oh~, I want your soul for Christmas.

Oh~, I want your soul for Christmas.

Oh~, I want your soul for Christmas.

Stockings filled with blood and coal,

We bring to you this Christmas,

Oh~, I want your soul for Christmas.
