Kiss me with your bayonet.  
(Kiss me) Carve your name with blunt precision.  
(Kiss me) Greet me with this violence.  
(Kiss me) Taste my pores like an insect feeding.  
(Kiss me) Scream, scream cried the debutante.  
(Kiss me) Dance, dance, said the evil paraquat.  
Sing, sing you're telling me.  
Bleed, Bleed, said the paper to the pen.

Understand there's no time.  
Understand I could not care less  
Reattach these severed limbs  
Fasten velcro to loose appendages  
Burn these lips with your fingertips  
Crush this heart with your megaton footsteps

Die Young  
Leave a pretty corpse for me  
I wouldn't hold my breath If I were you  
Shrapnel swirls like butterflies  
And leaves your broken body in my arms

Kiss me with brass-knuckled fists  
Hate me because I left you bleeding  
Love me with your violence  
Grab my throat like a mad man seething  
See you the opera house  
Wage this war with unparalleled carnage  
Meet me the parking lot  
Mangled parts can't be salvaged  
Save your breath  
Don't say your prayers  
Words won't help where you're going  
Save your breath, don't say your prayers this curse  
shall keep you wandering  
Burn these lips with your fingertips  
Crush this heart with your megaton footsteps  
Save your breath  
Don't say your prayers  
Words won't help where you're going

Die Young  
Leave a pretty corpse for me  
I wouldn't hold my breath If I were you  
Shrapnel swirls like butterflies  
And leaves your broken body in my arms

Save your breath  
Say your prayers  
Words won't help where you're going

Die Young  
Leave a pretty corpse for me  
I wouldn't hold my breath If I were you  
Shrapnel swirls like butterflies  
And leaves your broken body in my arms
