Yeah, lemme tell ya little tale bout my neighbor  
Young motherfucker, he wanna pull a caper  
Call his homies on the telephone  
Getcha shit, load the fucker, cause you know it's on  
I'm gettin high off the indo  
Meet me at 9 in back of the Sunoco  
I gotta pull a car, he jackin  
And don't give a fuck if that nigga white or black and  
Ain't no use in ya bitchin  
Niggaz don't care if they putcha in a ditch and  
Fuck it cause he shot ya  
All he know is that a young nigga got cha  
Because you shoulda came gatted  
You didn't know that the young nigga had it  
I guess you had to learn ya lesson  
Young niggaz will always keep ya guessin

"Oh, yo G there that bitch go"  
"Where where?" "Yo get the fuckin car"  
"I got this shit come on"  
"Bitch get out the fuckin car"

"Fuck me? Naw fuck you bitch"

"Uh, uh, somebody help me, uh, somebody help me  
please"

How could she know she was a goner  
The young thang, she lived around the corner  
But the niggaz didn't give a fuck  
All they knew is tonight they gotta make a buck  
Cause you go to rob a K-Mart  
Young niggaz, they like to play the rough part  
And you know they never stop it  
Young niggaz who love to stay clockin  
Even though they have no future  
Didn't give a fuck if a nigga had ta shoot cha  
And it was anticipated  
Inside where the 5 all had waited  
As he walked into the front door  
All ya heard was nigga hit the floor

So that nigga started cappin  
Droppin motherfuckers like a droppin in his yappin  
I guess he had to learn his lesson  
Young motherfuckers, you can't keep guessin

"Freeze nigger, put your gun on the ground"  
"Hey man, put yourself the fuck up!"

"LIGHT THIS BITCH UP"  
"BUST THAT MOTHAFUCKA!"  
"Give it up, give it up!"  
"Watch ya back, watcha ya back!"  
"Awww SHIT! I'm hit!"  
"Man fuck this, I'm audi"  
"Yo, yo, come her man, fuck it man  
You bitch ass nigga, yo! I'm hit, man fuck that  
Nigga, motherfucker left, motherfucker"

Yo, stop frontin and use ya head  
Yo, stop frontin and use ya head  
Yo, stop frontin and use ya head  
Yo, stop frontin and use ya head
