Hey Girl
Did you mess this one up
Lying to someone else
Other than yourself?

Hey girl
Did you mess this one up
Lying to someone else
For the first time
In a long time
Instead of lying to yourself

Don't worry
Don't worry
You can only go up from here
Don't worry
Don't worry
Things can only get better from here

You're not the first angel I know
Who has misplace their halo
I know you'll never believe it's true
But it happens to the best of us if it happened to you

Hey girl
Do you think he'll forgive you
For breaking his heart in two?
Is his compassion cracked?
Or is it still in tact?
I don't know, but best of luck to you

Don't worry
Don't worry
You can only go up from here
Don't worry
Don't worry
Things can only get better from here

You're not the first angel I know
Who has misplace their halo
I know you'll never believe it's true
But it happens to the best of us if it happened to you

I hope you hear me when you're all alone
Hiding in between your headphones
Singing songs in stereo
And in-fidelity
I hope you hear me when you're all alone
Hiding in between your headphones
Singing songs in stereo
And in-fidelity

You're not the first angel I know
You're not the first angel I know

You're not the first angel I know
Who has misplace their halo
I know you'll never believe it's true, but
It happens to the best of us if it happened to you
It happens to the best of us if it happened to you

Yeah, it happens to the best of us if it happened to you
