Funny how crazy I make you
In an effort to break you
And I'm not sorry for making a mess
It's what I do best
And no one makes one quite like me
You'll see, You'll see, You'll see

That all these tendencies
Tend to get the best of me
You see my heart on my sleeve
And forget the one inside of me
But no one has better intentions than me
You'll see, You'll see, You'll see

I won't apologize
I won't apologize
Someday you'll die
To find the guy who tries
So, I won't apologize

Funny how I smother you
In an effort to uncover you
I'm not sorry for giving a shit
I've been generous
And no one gives one quite like me
You'll see, You'll see, You'll see

I won't apologize
I won't apologize
Someday you'll die
To find the guy who tries
So, I won't apologize

It's girls like you that make me
It's girls like you that break me too
It's girls like you that make me do
All the stupid things I do

I won't apologize
I won't apologize
Someday you'll die
To find the guy who tries

So, I won't apologize

I'm sorry, but I won't apologize
