What a list!
I finished Å– Wanna see?
A perfect composite
Of every quality I want and need
In the opposite
Do you think I'm crazy?
Cause I know what makes me
Tick. Tick. Boom?

What a shocker!
Though I tried so hard
To have a handle on this
I lost my grip and dropped my guard
At the thought of your kiss
You put my list in
Instant revision
Wait a minute, let me explain

So many bullets on my list
Consider me armed and dangerous
Dissected, corrected
I thought it was perfected
But you were the one thing I need
How do you do it to me?

What a Catch!
Never thought that I'd find her
In Virginia showers
And see truth in a booth at a diner
Where we talked for hours
Content to the core
What am I looking for?
Nothing anymore

So many bullets on my list
Consider me armed and dangerous
Dissected, corrected
I thought it was perfected
But you were the one thing that I need
How do you do it to me?

What a dream!

I had that one again
Where you and I drove
Over the states while escapin'
To San Diego
I brought you daisies
Do you think I'm crazy?
Of course I am – Listen to me!

So many bullets on my list
Consider me armed and dangerous
Dissected, corrected
I thought it was perfected
But you were the one thing that I need
How do you do it to me?

Content to the core
What am I looking for?
Nothing anymore!
